

Long Thanh North Reunion September 27-29, 2012

PART ONE

**Grand Hyatt Tampa Bay
Tampa, Florida**

TERRY EDMUNDS looked through his reunion chairman's crystal ball and saw a tropical setting fit for just about any taste. So, Terry, to you we say thanks for the excellent care given such an important base-of-operation decision. The results were pleasing and memorable, making a lot of people happy to be there. To the hotel, it was what it is, a grand hotel in a grand location. Just don't go there without a large bag of money. Facilities were flawless, and the service and food was excellent. Kudos!
